

YOUR MONEY, YOUR VALUES

Redefining Sustainability in Corporate Finance

FOR YOU, WHAT FACTORS MAKE A COMPANY SUSTAINABLE?

Energy Efficient **Good Data Security** Board Independence

Good Working Conditions

Limited Executive Compensation

Employee Health and Safety

Low Pollution

Diversity

Low Carbon Emissions

Because there are so many ways to define sustainability, sustainable investing advice should not follow a one-size-fits-all approach.

DO YOU KNOW IF THE CONDUCT OF YOUR BANK, PENSION FUND OR OTHER INVESTMENTS ALIGNS WITH YOUR VALUES?

Surveys will be given to the people of Limerick.

They will be asked questions on what they value and about their concepts of sustainability.

Tailored, individualized sustainability information will be provided, including information on their current bank, pension fund, and other investments.

Every company will be graded on how they align with the values of each individual.
